Carole Siegler Appointed to Catalina Foothills Governing Board

Tucson, AZ – Pima County School Superintendent Dustin J. Williams has appointed Carole Siegler to the Catalina Foothills School District Governing Board. Ms. Siegler will fill the vacancy left by the unfortunate loss of education champion Amy Bhola. Ms. Siegler is a former Catalina Foothills Board President, with 26 years of experience serving on this board.

“I am honored to return to the CFSD governing board. It’s a privilege to serve our community and work towards creating an enriching and supportive environment for our students, teachers, and families. I look forward to collaborating with my fellow board members to continue making a positive impact on our excellent school district,” said Siegler.

The position will be up for re-election in November 2024 for a two-year term. Ms. Siegler was sworn in on June 10 and is eligible to participate in her first board meeting on Tuesday, June 11, 2024.
