**APPLICANT INSTRUCTIONS:** As a separate document, please type a response for each of the questions below. Your questionnaire responses should not exceed five (3) pages. Do not submit a resume in lieu of any responses. If submitting more than one page, please make sure that you include your first name, last name, and page number at the top of each page. Also, remember to include the Affidavit of Qualification with your responses.

1. Provide your employment history for the last five (5) years. Please include employer, years of service, position responsibilities.
2. Provide your educational background, including the academic institution, highest level completed, and any degree(s) conferred.
3. What has prompted your interest in this position? If appointed, would you consider running for this position in the future?
4. A board member has no authority to make institutional decisions as an individual; all policy decisions are made by the governing board as a body. Board membership requires the ability to listen to the ideas of others, communicate your own ideas, evaluate all information without bias, and function as a team member. How will you ensure that you encourage the board to work as one unit on behalf of Pima Community College?
5. Decisions related to policies and actions taken on behalf of the institution are conducted as a Board-majority vote. How will you ensure that you are able to support the decisions made by the Board, even when you are not part of the majority?
6. Those seeking to serve in a public capacity may be subject to scrutiny by interested individuals or groups, as well as the media. This scrutiny includes personal behaviors, past and present, as well as areas of potential "conflict of interest." Have you any reason to be concerned that any past actions or involvement with organizations could be perceived as a conflict with the Board or the educational institution? If so, please provide additional information.
7. What do you feel are the most urgent needs/issued facing Pima Community College? How do you balance the competing interest in the community from groups like students, parents, businesses, employees and taxpayers?
8. Describe your understanding of differences between policy and administration.
9. Describe what the ideal relationship should be between the Board and the Chancellor.
10. Describe any experiences, which you think would be relevant to making a positive contribution to this Board.
11. What do you consider as the attributes of a "good" Board member?
12. Please describe any experience you have serving on any type of board.
