### PROPOSITION NO. 450 - MAINTENANCE & OPERATIONS BUDGET OVERRIDE CONTINUATION

Shall the Governing Board of Continental Elementary School District No. 39 of Pima County, Arizona, adopt a General Maintenance and Operation Budget that includes an amount that exceeds the revenue control limit specified by statute by fourteen percent for fiscal year 2017-2018 and for six subsequent years as described below? The fiscal year 2017-2018 budget override authority represents an extension and decrease of the existing budget override authority which is scheduled to phase down by one-third for fiscal year 2017-2018 if the voters do not approve the override.

The amount of the proposed continuation of the budget increase of the proposed budget over the alternate budget for fiscal year 2017-2018 is estimated to be \$137,427. In fiscal years 2017-2018 through 2021-2022 the amount of the proposed increase will be fourteen percent of the District's revenue control limit in each of such years, as provided in Section 15-481(P) of the Arizona Revised Statutes. In fiscal years 2022-2023 and 2023-2024, the amount of the proposed increase will be 9.33% percent and 4.67% percent, respectively, of the District's revenue control limit in each of such years, as provided in Section 15-481(P) of the Arizona Revised Statutes.

Any budget increase continuation authorized by this election shall be entirely funded by a levy of taxes on the taxable property in this school district for the year for which adopted and for six subsequent years, shall not be realized from monies furnished by the state and shall not be subject to the limitation on taxes specified in Article IX, Section 18, Constitution of Arizona. Based on the current net assessed valuation used for secondary property tax purposes, to fund the proposed continuation of the increase in the school district's budget would require an estimated continuation of a tax rate of \$0.15 per one hundred dollars of assessed valuation used for secondary property tax purposes and is in addition to the school district's tax rate that will be levied to fund the school district's revenue control limit allowed by law.
