### PROPOSITION NO. 449 - MAINTENANCE & OPERATIONS BUDGET OVERRIDE CONTINUATION

Shall the Governing Board of Vail Unified School District No. 20 of Pima County, Arizona (the "School District"), adopt Maintenance and Operations budgets which allow the School District to exceed the revenue control limit specified by law in the amount of not more than twelve and one-half percent (12.5%) per fiscal year for fiscal year 2017-2018 and the next subsequent six (6) fiscal years thereafter? The fiscal year 2017-2018 budget override authority represents an increase over the existing budget override authority which is scheduled to phase down by one-third for fiscal year 2017-2018 and another one-third for fiscal year 2018-2019 and expire after fiscal year 2018-2019 if the voters do not approve the override.

The 2017-2018 proposed budget of the School District will exceed the alternate proposed budget of the School District by approximately \$4,050,000. The proposed budget increase in future years will be based on a percentage of the District's revenue control limit as provided in Section 15-481(P), Arizona Revised Statutes for this purpose.

Any budget increase continuation authorized by this election shall be entirely funded by a levy of taxes on the taxable property in this school district for the year for which adopted and for six subsequent years, shall not be realized from monies furnished by the state and shall not be subject to the limitation on taxes specified in Article IX, Section 18, Constitution of Arizona. Based on the current net assessed valuation used for secondary property tax purposes, to fund the proposed continuation of the increase in the school district's budget would require an estimated continuation of a tax rate of \$1.97 per one hundred dollars of assessed valuation used for secondary property tax purposes and is in addition to the school district's tax rate that will be levied to fund the school district's revenue control limit allowed by law.
