## Vail Unified School District No. 20

Hi, my name is Geraldine Kleber, and I am excited to be your next Vail Unified School District Governing Board member! I am running to bring a fresh perspective to the board—one that puts students first, supports teachers, and will partner with parents! A voice for ALL stakeholders.

As a mother of two school-aged children, I know the important role education plays in the lives of Vail students. I also understand that my job is to focus resources on priorities that provide long-term benefits for students. I will help refocus the board's priorities toward academic excellence if elected. VUSD will remain the NUMBER ONE district in the state of Arizona!

I support curriculum transparency. Parents, guardians, and grandparents, concerned about what children learn in the classroom, should have access to taxpayer-funded materials. I also feel it is important that children be taught HOW to think critically, not WHAT to think ideologically. We all need to focus on what unites us, not what divides us, and classrooms need to get back to basics.

I will work with educators and stakeholders to put forth initiatives designed to reinvigorate accelerated learning programs, promote the arts, and provide more support for kids with special needs.

I am running to bring a fresh perspective to the board—one that puts students first, supports teachers, and will partner with parents.

Let's work together and create a brighter future for students in VUSD!
