Ajo Unified School District No. 15

My name is Carolynn Rodriguez and I am running for a seat on the School Board for the Ajo Unified School District. As a board member, I can provide a unique perspective to the board in that I am a former teacher at Ajo Elementary and a graduate of Ajo High School. My goal is to work with all stakeholders to provide a safe and fiscally responsible environment for the academic success of our students.

I have volunteered countless hours as an advocate for children. I served as a PTA board member where I collaboratively worked with the community, teachers, administration, and students to provide enrichment activities and resources for the school. Additionally, I have volunteered as a Girl Scouts leader and cheerleading coach.

As a school district employee, I have experience as a Science Olympiad coach, Math olympiad coach, Principal Advisory Committee member, and Master teacher for new hires.

As a current educator, I meet the individual needs of all my students. I collaboratively work with my instructional team and administration to ensure all students have access to the curriculum to meet academic standards. I maintain an open communication channel for parents to stay abreast of their child's progress.

As a school board member, I will continue to work with teachers, administration, fellow board members, and other stakeholders to provide a safe and enriching environment for Ajo students to succeed.
