

Jennifer Repscher

Catalina Foothills School District No. 16 (Four-Year Term)

Dear Catalina Foothills Residents and Parents,

I am introducing myself as a candidate for the upcoming 2024 School Board election. As a committed member of our community and a passionate advocate for education, I am excited to have the opportunity to share with you my vision for our schools and why I am seeking your support.

First and foremost, I believe that every child in our community deserves access to a high-quality education that prepares them for success in the 21st century. Our schools should be safe, transparent, and provide students with a strong foundation in core subjects such as mathematics, science, language arts, and social studies.

If elected to the school board, I will work tirelessly to ensure that our schools prioritize student achievement to better equip them with the knowledge, skills, and values needed to succeed in life after high school. This includes advocating for policies that support diverse learning needs, fostering strong partnerships between teachers, parents, and students, along with welcoming parental engagement in many aspects of our children's education.

Additionally, I believe that open communication and community engagement are essential for building trust and ensuring that the needs of all stakeholders are heard and addressed.

I bring to this role my personal educational experience as a Catalina Foothills graduate, along with my oldest daughter's K-12 CFSD education and a recent honors graduate. As a young adult, I knew this is where my husband I would raise our family and start our businesses. My continued appreciation of the Foothills is why I am dedicated to serving our community with integrity, empathy, and a collaborative spirit.

I am deeply invested in the future of our schools and the success of every student, and I humbly ask for your support and your vote in the upcoming election. Together, we can work to create positive change and build a brighter future for our children and our community.

Thank you for considering my candidacy, and please feel free to reach out to me with any questions or concerns you may have. I look forward to earning your trust and representing you on the school board.
