

Bart Pemberton

Catalina Foothills School District No. 16 (Four-Year Term)

My name is Bart Pemberton. I'm running for school board in CFSD, and I'll tell you why.

CFSD is a great school district at risk and in decline because the current board has not given concerned parents and guardians a fair hearing. Instead of a laser-like focus on excellence in academics, athletics, and the arts, its members focus their energies on areas best left to the parents, thereby giving the impression that they know better than the parents what is best for their children. Nothing good can come from such a mindset. It can only lead to declining academic performance and social discord.

To reverse this trend and improve learning for all of the children, I want to be elected and have the board:

Teach our Kids HOW to Think, Not WHAT to Think

Honestly and Effectively Partner with Parents

Improve School Safety for all Students, Faculty, and Staff

And

Make CFSD Teachers the Highest Paid in the State

If you want a board member who will listen to the concerns of parents or guardians and will not attempt to supplant their vital role in the raising of their children, and who will do what he can to ensure that the schools remain places that focus on excellence in academics, athletics, and the arts, then you should vote for me.
