Sahuarita Unified School District No. 30

Sahuarita is more than where I serve—it is my community and my home. Since being elected to the Sahuarita Unified School District Governing Board in 2022, I have been honored to represent our students, families, educators, and taxpayers.

I am a Tucson native, a graduate of Canyon del Oro High School, and hold a Bachelor of Science degree from the University of Texas. I proudly served our country as a United States Marine during Desert Shield, Desert Storm, and Operation Restore Hope in Somalia. I continued my commitment to public service with the Pima County Sheriff's Department and the United States Border Patrol, retiring from the Tucson Sector after 23

years of service.

Throughout my career and my time on the Governing Board, I have learned that effective leadership requires preparation, accountability, sound judgment, and a willingness to listen. I am seeking reelection because there is still important work ahead.

My priorities begin with maintaining safe and secure schools where students can focus on learning and educators can focus on teaching. I am committed to strengthening academic achievement, expanding educational and career opportunities, and ensuring every student is prepared for success beyond the classroom.

I will continue supporting and retaining quality educators while ensuring parents have a meaningful voice and are treated as essential partners in their children's education. I will also advocate for transparency, accountability, and responsible stewardship of taxpayer dollars.

Every decision made by the Governing Board should begin with one fundamental question: What is in the best interest of our students?

It would be an honor to continue serving the Sahuarita community. I respectfully ask for your support and your vote.
